GENERAL PRICE LIST

These prices are effective June 15, 2021 and are subject to change without notice.

Cremation Plus only provides direct cremation services (without embalming or viewing) and disposition of the cremated remains. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangement you select will include a charge for our basic services and overhead. If legal or other requirements mean that you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide, describing the funeral goods and services you selected.

DIRECT CREMATION PACKAGE: \$490.00 - \$2,875.00

Our charge for direct cremation (without embalming or viewing) includes:

- Basic services of funeral director and staff
- Transfer of remains to our refrigeration/holding facility and crematory (within a 35 mile radius; add \$100 for residential service)
- Other preparation of the body with refrigeration
- Alternative cremation container
- Flame based cremation process (add \$700 for water based cremation process)
- Plastic urn
- Release of cremated remains at our office

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are made of materials like cardboard or fiberwood.

MERCHANDISE PRICE LIST

These prices are effective June 15, 2021 and are subject to change without notice.

Cremation Plus makes no representations or warranties regarding alternative containers/outer burial containers. The only warranties, expressed or implied, granted in connection with goods sold with this service or the written warranties, if any extended by the manufacturer thereof. No other warranties and, specifically, no implied warranties of merchantability and fitness of a particular purpose are extended by the seller. In most areas of the country, state or local law does not require that you buy a container to surround the casket or urn in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a outer burial container will satisfy these requirements.
